RestoreBalance

We are in a constant state of flux as we strive for equilibrium to combat stresses that affect our balance and well-being each day. Naturally, these stresses have an effect on our skin, body and emotions. The root of Aveda's holistic spa philosophy and elemental nature is based on the five elements found in nature and within each of us: Infinity, Air, Fire, Water and Earth. Before each service, we ask our guests to complete the Aveda Elemental Nature Questionnaire which allows our therapists to create personalized treatments and self-care rituals based on your Elemental Nature, to bring you back into balance.

 **Infinity Nature**
Balances normal to dry skin conditions

 **Air Nature**
Nourishes dry, dehydrated and aging skin

 **Fire Nature**
Cools and soothes sensitive, irritated skin

 **Water Nature**
Clarifies blemished and congested skin

 **Earth Nature**
Purifies normal to oily skin conditions
